
The best day of the week?

Ever since Jesus rose from the dead on a Sunday morning Christians have met together on that day, his day, the Lord's Day, to worship God, listen to his Word, celebrate their forgiveness and new life, and tell others about him. In the midst of our busy city and noisy modern lives this practice of setting aside one day especially for worship, spiritual renewal, and discipleship is as important as it ever was. Making the most of a Sunday in church is what should make it the best day of the week.

As a church we normally have 2 meetings on a Sunday, one at 11am and the other at 6pm. The meetings are slightly different from one another and there is great benefit in coming to both if you're able. Both services are available live on Zoom for those unable to attend.

Sundays at 11am is the main church gathering of the week. Alongside the service there is a Sunday School and creche for children. The service itself lasts until 12:20pm and is followed by refreshments. We share the Lord's Supper together on the first Sunday of the month in the morning.

At **6pm on Sunday evenings** we meet again for a more informal service aimed at discipleship and training. As part of the meeting there is opportunity to pray for and with one another, interact with the teaching through discussion and questions, and once a month (third Sunday) we share the Lord's Supper together in an unhurried reflective service.

Bring your friends!

We love having visitors with us on Sundays, especially in the mornings at 11am. While the services are designed for Christians we hope they are accessible and intelligible for everyone so that whoever you are and whatever you believe you're very welcome to come along. There are some small invitation cards available on the information desk which are good for giving away. Do take some and invite people to join us.

Location

Our Sunday services all happen in our building on Carlton Vale. It's easy to find on the main road and a few minutes from Queen's Park Tube Station.

Community Groups

One of the greatest joys in the Christian life is that we share it with one another and get to encourage, teach, help, support and love one another.

Making time for this in a busy city and when people are regularly joining church can be difficult which is why our Community Groups are such an important part of our church life.

Community groups are made up of less than 10, meet weekly (except for the first Wednesday in the month) and spend time getting to know each other, pray together and read the Bible together. We know that not everyone in church can make it along to a group but we strongly encourage you to, especially if you're new to church or have a job that means attending on a Sunday is difficult. We even have an online group for those unable to make in person meetings. Everyone needs encouragement, and that's what the groups are for!

If you would like to join then please speak to one of the leaders, or to Ramona Harris who co-ordinates the groups. Alternatively you can follow the QR code to the online form and sign up there.

Women's Bible Study

Lola Ortiz runs a regular Women's Bible Study that meets on Saturday mornings. It's a great place to be fed from God's Word and to disciple one another. If you'd like to go along you can join the WhatsApp group in the community.

Central Prayer Meeting

On the first Wednesday of the month at 7.30pm we hold our Central Prayer Meeting in the church building. This is a vital meeting in the life of our church and we encourage everyone to come. Community Groups close for the week to make sure everyone has time to come along. We pray, sing and ask the Lord to bless not only the work of the gospel at West Kilburn but with our mission partners and others further afield. Do join us!

**Senior's
LUNCH**
Wednesday, 24th September
